

Match Set Love is Coming Homeward Bound This Winter

PRESS RELEASE OCT 11, 2016

The new Winter 2016/17 Collection is set to bring the elements of winter to your home and help you're interior get ready for the holidays.

Erfurt, Germany, October 11, 2016 (Newswire.com) - This new collection is building up on the lovely base Range of Wall stickers, decals and printable art posters by Match Set Love to help you bring the magic of winter home this season.

This collection is all about bringing traditional winter elements - with a modern twist and a whole heap of fun: Geometric Tree wall stickers to create your own forest inside and an interesting 'snowcapped' Mountain Range wall decals for the adventurous ones. Reindeer Decals & Advent Calendar Stickers to help you build excitement for Christmas.

Gratitude decals for creating your own gratitude jars and décor for Thanksgiving. Sprinkles, Bow Ties and big Polka Dots to create an explosion of happiness on your Nursery's wall. Most of the items are mix-and-match and go beautifully with the new vinyl nursery garland where you have the option to include your child's name and really make their room their own. The ease to remove also makes this the perfect solution to rental homes and seasonal décor.

The signature item of this collection is the new Monogram Wreath. This beautifully designed Wreath Wall Decal is available in 2 sizes with a customised initial.

LIEZEL GLAUBITZ, DESIGNER

"The signature item of this collection is the new *Monogram Wreath*", says designer Liezel Glaubitz. This beautifully designed Wreath Wall Decal is available in 2 sizes with a customised initial.

This decal is the perfect way to create an elegant focus point above your child's bed, diaper changing station or dresser. The smaller version can be used on a smooth door or to embellish your storage boxes.

New on the cards and important for those looking for the perfect Baby Shower, Birthday or

Room makeover Kit are the Vinyl Sticker & Decal Room Décor Kits. These sets include 4 sheets of your favourite wall sticker design, 1 Large and 2 small Monogram Wreaths so that you can create a beautifully designed room quickly and easily. You can customise this set by choosing your favourite wall sticker shape, colour and initial.

The wall art posters for this season are all monochrome with a selection for child and adult. These posters can be downloaded after purchase and then printed at home or at the print shop, which makes this a great option for quick change in the home or a last minute gift!

When it comes to the colours for Winter 2016/17, Liezel Glaubitz suggests the matt metallic darlings of the year; Gold and Copper and always staying true to her neutral colour; Black. For the ones who like to add colour into the twist, she suggests a pop of Pink or Mint. Match Set Love has also hand picked three new colours for the palette to compliment your home this next year; Dark Blue, Forest Green and Chocolate brown.
